# Welcome...

To October's issue.

This month we interview cover star C.J. Knight, cock-hungry bottom boy and star of 'Pack Attack 3' from Hot House. We also chat to Studio 2000 cutie Tory Mason, star of the best selling DVD Big Boat which we featured back in May.

Eurocreme's new release 'Indie Boy' not only features some hot butt-banging twinks, it also boasts a cracking soundtrack. Finally, porn you can watch with the volume turned up!

At the totally opposite end of the spectrum, 'Roid Rage' from Raging Stallion is a must-see for any guy into serious muscle worship - these guys are testosterone-soaked man mountains.

We also review the Fourteenth Erotic Awards, held in London at the beginning of September: eye-popping performances and awards presented to a truly diverse selection of pervy people.

And finally, check out the Sextracts section, where we've discovered a sex toy that had us roaring with laughter in the QXMEN office - a George W. Bush butt plug! Yes, really.

# KNIGHT

# RIDER

**QXMEN gets up close and personal with C. J. KNIGHT, star of 'Pack Attack 3', the latest release from Hot House.**

**AGE:** 35, **HEIGHT:** 5'9", **WEIGHT:** 175lbs, **DICK SIZE:** 7.5" cut.

**WHERE ARE YOU FROM?** New York City – The Bronx to be precise.

**WHERE DO YOU CURRENTLY LIVE?** Fort Lauderdale, Florida. I love the sun and the beach.

**HOW DID YOU GET INTO PORN?** Basically it was all self-promotion. I submitted online applications, with amateur photos, to several porn companies, Hot House being my number one choice. And I heard back from several all around the same time, which is why there are a couple of other studios' movies out there before I was honoured with the Hot House Exclusive contract.

**WHICH FILMS HAVE YOU STARRED IN TO DATE?** My first movie for Hot House was Full Throttle. I had a great time on that movie. Everything fell into place, there was great energy on set and I was able to bring a few ideas to the table that the director, Michael Clift, really liked. So it was as a direct result of everything going so well that I was offered the exclusive contract with Hot House. Since then I've been in Communion, Tough Stuff, Pack Attack 3, Jockstrap and Verboten Part 1. You can also see me in Bang That Ass (Raging Stallion) and Boiler (Titan), both of which were filmed before my contract with Hot House.

**WHAT WAS YOUR FIRST FILM AND FIRST SCENE?** That's a great question, because my first ever porn movie scene has not been released yet. It was for Black Scorpion video, and I was working with Arpad Miklos. I'm told that the movie is in the editing stage, but I know very little about it. I don't even know if it has a working title.

**AND YOUR HOTTEST SCENE EVER? TELL US ABOUT IT.** That has to be my scene in Jockstrap. Jockstraps in general are a great fantasy and I was working with two of my personal favorite co-stars: Alex Collack & Tyler Saint. I don't need words to describe it, only two letters: DP. (lol), I'm sure fans will appreciate why I love that movie scene.

**DID YOU HAVE TO PSYCH YOURSELF UP FOR PACK ATTACK 3, OR HAVE YOU ALWAYS BEEN A VORACIOUS BOTTOM?**

Honestly as voracious a bottom as others may think I am, the role did require quite a bit of "psyching-up". It is very challenging to work with that number of models in one scene, and a couple of the biggest dicks on the planet.

**CHAD HUNT AND BARRETT LONG ARE HUMUNGOUSLY HUNG. HOW WERE YOU THE FOLLOWING DAY?** Just fine ;)

**PACK ATTACK 3 IS PRESENTED IN SPLIT-SCREEN FORMAT, I.E. USING TWO CAMERAS. HOW DIFFICULT IS IT TO PERFORM WITH TWO CAMERAS ON YOU?** We often

have two cameras rolling; one for close ups and the other for wide angle filming. I ignore the fact that cameras are rolling other than staying mindful of the angle from which I am being filmed. And good directors such as Steven Scarborough and Michael Clift will always keep their cast informed as to which camera they should be playing to.

**HOW EASY IS IT TO TAKE DIRECTION WHEN YOU'RE GETTING POUNDED?** For the most part we are free to go with the

flow while "pounding" as long as we keep up the energy level and keep it real. Believe it or not, most direction is conveyed during the less intense action and limited scripting.

**WHAT'S YOUR PREFERENCE WHEN IT COMES TO COCK: LENGTH OR GIRTH?** I'm not as infatuated with size as I once was, but anyone who says they don't like a big one is lying. Honestly, the thick ones hurt less than the pokey skinny ones.

**HAS YOUR OPINION OF THE SEX INDUSTRY CHANGED**

**SINCE YOU'VE DONE PORN?** Wow, is that a loaded question? As performers/actors we are hired to provide a highly sexually charged performance that hopefully taps into some customer psyche/fantasy and thereby create a lucrative product for the studios that employ us. That's our job. So, while being a porn star can be exciting, the sex can be great and we have a fantastic time when we perform at events and meet the fans, as a performer in the industry, I have really come to appreciate that it is a job. And a job that requires hard work, focus and a great amount of professionalism.

**HOW FAR IS TOO FAR? WHAT WON'T YOU DO?** I realising that bareback sex probably sells more videos right now, but I like to keep my activity on screen as safe as possible. You won't see C.J. swallowing loads or in a bareback film.

**BESIDES YOUR AMAZING BUTT, WHAT'S YOUR BEST FEATURE?** Probably my intellect. Many people think porn stars are as dumb as a box of rocks. If you want to talk physical characteristics, I get lots of compliments on my eyes, lips and teeth.

**WHAT'S YOUR FAVOURITE POSITION?** Doggie-style

**DO YOU HAVE A FAVOURITE SEX TOY?** C'mon, nothing's as good as the real thing! But dildos and buttplugs are fun, especially the inflatable kind.

**THE GUYS AT HOT HOUSE SEEM TO GET ON LIKE ONE BIG FAMILY. ARE THERE ANY OF THE HOT HOUSE GUYS THAT YOU GET ON PARTICULARLY WELL WITH?**

I love Francesco D'Macho and Alex Collack. They have become my extended family. I just wish we could spend more leisure time together.

**DO YOU HAVE A PARTNER AND IF SO, WHAT DOES HE THINK OF YOU DOING PORN?** Yes, I have a partner of two years. He is open-minded and very supportive of my porn career.

**WHAT'S A TYPICAL DAY LIKE FILMING FOR HOT HOUSE?** A typical day of filming can be long and exhausting and requires lots of patience at times. Generally we work for two days in a row. One day will be the scene itself and the other will be a glamour photoshoot for print, websites, etc. The day shooting the action involves a lot of hard work. There are so many people on set all trying to make sure their piece of the puzzle is working (lighting, videographer, sound, make-up, director, etc.). But at the end of the day I think it's worth it. Hot House is definitely renown for putting out

some of the most beautifully shot movies in the industry. And Steven Scarborough has now been in the business twenty years. I doubt there's anything he doesn't know about making sex look fantastic on film.

The typical action day will see me go for a quick early morning workout - 7am. We're on set getting costumed and made-up around 9:30am, and then the filming will start around 11am. Some shoots are easier than others, some more straightforward.

My scene in Communion ended up taking until almost midnight to complete due to there being four performers on set being shot in a variety of combinations and additional non-action footage that we shot that day. An average day will probably see us filming until 5pm to 6pm. We then generally head off for dinner with our extended Hot House family, then early to bed because the next day will involve either a glamour shoot or, invariably, a hellishly early flight back to Fort Lauderdale!

**WHAT FUTURE PROJECTS HAVE YOU GOT COMING UP?**

I think there are at least 2 movies due out in the UK in the coming months (Jockstrap and Verboten Part 1). I still have a few movies to film for the rest of this year as part of my current Exclusive contract. I'm very active making public appearances around the country (I was in Atlanta 2 weeks ago and I head to Nashville next week). I would love someone to invite me over for an appearance in London. And, as we talk, I'm in San Francisco for their Folsom Street Fair, which I'm told is one of the biggest leather and fetish events in the world. I had a fantastic time at IML in Chicago in May, so I'm guessing this will be great too, particularly since, being in San Francisco, Hot House has the home team advantage. I think I can speak for the whole company when I say we really do put on a fantastic show for fans at these events. We just love the chance to interact on that personal level.

**HAVE YOU EVER SAID 'I LOVE YOU' AND MEANT IT?** Yes, to my current partner. He pushes my buttons, pisses me off on a regular basis and makes me face my reality. That's a true soul-mate.

**WHAT DOES THE FUTURE HOLD FOR C.J. KNIGHT?** Definitely more film work and learning more about the industry. I hope to eventually be on the production side of porn. And, hopefully, some international travel. Francesco and Vinnie both visited Berlin, Paris, Rome and Milan over the last twelve months. I would love to follow in their footsteps. And maybe be the first of the current Hot House Exclusives to make it to London.

**3** **PACK ATTACK**  
**C.J. KNIGHT**

PRODUCTION: **Hot House**  
 DIRECTED BY: **Michael Clift**

This month's cover star, C.J. Knight takes centre stage in this the third of the phenomenally successful Pack Attack gangbang series.

The film kicks off with Knight on his knees. Five big wet cocks stand to attention and get serviced one after another. Chad Hunt and Rod Barry compete to see who can make Knight gag the most. Barrett Long (this month's centrefold) orders Knight to suck his balls and shoots whilst he shoots his load over the greedy bottom boy. Blue-eyed Jude Collins pummels Knight's face, followed by Hunt. Aussie Jed Wilcox takes his turn next followed by Barry.

In scene two the pack breaks into smaller groups. Hunt gets his massive dong worked on by Barry and Knight, whilst Wilcox gets to work on Collin's formidable dick.

The pack then turn the tables on Hunt and it's his turn to suck cock. The focus then shifts back to Knight who gets his hole nicely lubed with spit by a succession of guys. Hunt is first to penetrate Knight's sopping hole, pushing his cock in right to the hilt, pulling it out and ramming it back in again. As he pounds away the rest of the guys jerk off, waiting their turn. Knight takes Willcox, then Barry, as he sucks Barrett Long's prestigious man meat. Barry and Long "tag team" Knight while Willcox surrenders his pucker to Hunt and Collin.

Finally, Knight sits on the floor, anxious to receive the hot loads of the pack. Drenched with cum, he jerks off, shooting his load on his stomach.

Another scorcher from Hot House. Five stars!

# A QUICKIE WITH

# TORY MASON

**QXMEN** chats to the star of Studio 2000's **Big Boat**.

## HOW WERE YOU DISCOVERED?

I was found off of the dudesnude.com website. I shot a screen test with the director of Fierce Dog Pictures, which consisted of an interview and a solo jerk off scene, which has never been released.

## DO YOUR FRIENDS AND FAMILY KNOW ABOUT YOUR CAREER?

Most of my family know and they are entirely supportive, as they always are of everything I do. In fact, I gogo dance at a few clubs in Los Angeles and my parents actually came one night when they were in town. Of course, they had their concerns at first but overall they know when I really want something I just go and do it. I guess I'm just a free spirit like that. I came out towards the end of my senior year of high school, but I think my closest friends already knew for the past year or so.

## IN 'BIG BOAT', YOU WERE FUCKED BY CHRISTIAN OWEN, BARRETT LONG AND JAKE HAVOC. AREN'T YOU JUST THE CAT THAT GOT THE CREAM!

All three were great to work with and a lot of fun on and off the set. Barrett Long was a vicious top that fucked the hell out of me with his 11 inches, and god I loved every minute of it. Jake Havoc, who is 10 inches and VERY thick, was more sensual and by that time of day when we were shooting, very sweaty. I love hot and sweaty sex. I could just not get enough of Jake, he's so hot. Christian was a great top as well, and an amazing bottom. I was really excited when I found out we were going to flip fuck, he's just beautiful.

## DO YOU LIKE YOUNGER GUYS OR OLDER GUYS?

It really depends on the guy. I love classy, handsome men if they're older - I have met some men twice my age for whom I would not hesitate to be their bitch. And if they're younger, boyishly charming wins the day every time. Overall, I'm a total sucker for the "nice guy".

## WHO'S YOUR DREAM FUCK?

My dream fuck? Hmm, this is always such a hard question for me because when it comes to boys I "dream" about I'm always so shy. I've said this before, but in the industry I would still love to get fucked by Lukas Ridgestone, not only is his body a work of God, but his face and eyes are piercing as well. Outside of the industry? I would love me some David Beckham.

## ARE YOU SINGLE OR DATING NOW?

Right now I am dating and everything is going very well.

## WHAT DO YOU DO BETWEEN VIDEOS? ARE YOU AN EXHIBITIONIST? DO YOU SHOW OFF YOUR BODY IN PUBLIC?

But of course! I have always been one to take my shirt off, good lord even when I was a kid. I gogo dance at a few clubs in Los Angeles (namely TigerHeat) and that is definitely something I would love to start doing more of. I really enjoy drawing in a crowd and flirting with them

## WHAT ADVICE WOULD YOU GIVE SOMEONE WHO IS INTERESTED IN A CAREER IN GAY PORN?

Just to be careful and think realistically. I could go on and on about all of the truly wonderful, sincere people I have met in this industry. And then I could also name a few people I wish I had never met. But in my opinion, if you're going to do porn you might as well go all the way with it. It shouldn't just be something you do for a few hundred dollars and then never want to think of again because it won't go away.

Eurocreme have scored a winner with World Rugby Orgy an international cum-guzzling, ball-busting epic. Now these aren't your average dirty great big 16 stone, hairy rugby players. Eurocreme's rugby lads are smooth, young, athletic players with lean bodies, cute butts and fat cocks. Team players include Jeffery Radden, Johan Volny, Kamil Fox, Titch Jones, Toby James, Ricky Jackson, Jose Manuel, Luke Hill, Martin Pilollow, Tom Reed, Lucky Taylor, Max Fonda, Joey Martyn, Hans Smith, Alfredo Miazzi, Alexander Kalas and Shane Foam. The boys arrive in the Czech Republic for a cum-drenched sporting event. Scene one sees dark-haired English lad Toby James and smooth, pale skinned Jeffrey Radden working up a sweat in the hotel gym. They break to massage each other's pumped up bodies and then, turned on, Toby

fucks Jeffrey making him moan and groan with pleasure. In scene two Kamil Fox fucks Ricky Jackson so hard that Ricky can't contain himself and shoots a big wad while Kamil's busy pumping his butt. Three massive cocks fill the screen in scene three including the amazing donkey dick that belongs to cute young Brit, Titch Jones. Scene four and the lads take some time out in a local night club where they pick up some locals and show them how the Brit boys do it. Joey takes centre stage in the final nine boy gang-bang as the lucky young champ takes all eight cocks one by one in an amazing tag-team style fuck marathon. The greedy lad then lies back and gets drenched by a torrent of hot spunk as each guy unloads their wad onto his tight body.

# Plantin' Seed

PRODUCTION: **TREASURE ISLAND MEDIA** • DIRECTED BY: **PAUL MORRIS**

Some of the sleaziest big-dicked raw studs and cum-hungry subs come together for Plantin' Seed, a movie for lovers of spunk, felching and bareback sex. Taking the lead role, tattooed alpha male Jesse O'Toole owns pretty much every scene he's in and joins Brad McGuire, Steve Parker, Kevin Slater, Jacob Scott and Jake Ryan.

Scene one sees Jesse and young, tattooed skinhead Brad McGuire take on cum-hungry sub Antonio Vela plowing his hole in turn before Indiana farm boy Tom Sawyer joins the party and chows down on Antonio's leaking arse. In scene two, all-American bottom slut, Billy Wild, gets both holes well and truly abused by Jesse, Steve Parker and Jacob Scott in a gang fuck that will make any cum-hungry sub green with envy. And although Billy moans and groans as he's relentlessly plowed in turn by one big cock after another, the glint in

his eyes tells you he's loving every minute of it. An intense one-on-one with Jesse and Jacob Scott follows on from scene two with Jesse going at Jacob's tight hole like a jack-hammer. The movie culminates in a Sunday afternoon session with cum-hungry bottom Jonas taking it in turns from mega-hung Kevin Slater and horse-cock Jake Ryan and greedy world class felcher Jeremy.

2004 Spookie Multi-Award winning Plantin' Seed is a full two hours of close-up spunky camera shots with no dull script, just no holds barred hole-stretching sex.

Plantin' Seed features guys fucking without condoms which leads to the spread of HIV and STDs...Think before you fuck raw.

# Portable Play Sling

If you don't have the space for a full sling but like the feeling of being on your back with your legs up, fully supported at whatever height you like, with everything totally accessible, then the Portable Play Sling is for you.

Adjust your height, lay back, slip your legs through the loops and with the neck rest behind your head, you're ready for the fuck of your life. Legs high or low and hands free to do as you please. For that added twist, there are metal D-loops by the neck/shoulders, so you can attach wrist restraints for added control.

The HardSexToys Portably Play Sling is like no other on the market. Extensive research and the testing have resulted in a sling that's more robust and more comfortable than any other. Soft padded sections with rounded corners, and strong stitching for strength and stability (no cheap pop rivets here).

Truly portable, it can go anywhere. Just pop it into your bag and go. When you're finished, it's also easy to tidy away as the padded sections just slip off for easy cleaning, care and storage.

## Sperm Stopper

When it comes to cock, it's said he's a man's best friend. So it's no wonder that the latest fashion sweeping Europe and the US is to decorate the little fellah with this awesome product that will enhance your playtime: the sperm stopper!

A present for yourself or your partner (or fuck buddy?), the sperm stopper is genital bondage like no other.

The sperm stopper is a small movable arm on a ring with a steel ball attached, which is then inserted in the end of your cock. The result: the sperm stopper will give your cock a nice firm head. During orgasm many report deeper and more pleasurable sensations and it stops some of the sperm from coming out, which means it can be disposed of in any way you feel (or sucked out separately for you dirtier boys).

Available in four sizes, from 25mm to 35mm, there is one to fit most sizes and works with cut or uncut cocks.

Treat your little fellah to something new and buy one today.

# ROID RAGE

QXMEN cover star Jake Deckard co-directs Roid Rage, Raging Stallion's latest offering of massive macho muscle madness. Starring muscle bound studs Huessein, Piero Sias, Shane Alexander, Trojan Rock, Trey Casteel, Brock Hatcher, Xerxes, Hank Dutch, Brendan Davies, Roid Rage journeys into the outer limits of sexual excess as an incredible stable of muscle-bound animalistic studs go hell for leather. Scene one sees Huessein, Piero and Shane eying each other's muscled torsos in a dimly lit room kitted out with steel, wood and mud.

From deep rimming to hard fucking, these animals climb and crawl over each other fighting for more dick. In the next scene Piero is on his knees working Trojan's rock hard cock. Worked up into a frenzy, Trojan turns Piero round to get a taste of his puckered man hole before pounding him on his back and bent over. Round three and five hulking man mountains tear away at each other's primed bodies pushing themselves to the limit. It's hard to keep track of who's doing what to who in this fast-paced fuck-fest, but the focus soon turns on Xerxes as each hulking muscle stud takes his turn in pounding his prime beef butt. Then Brendan's tight puckered hole gets the attention it deserves as he's pounded relentlessly, one by one by each muscle-bound meat mountain. No mouth or butt hole is left empty in this final scene of wall-to-wall animal lust.

# Hustle and Cruise

PRODUCTION: **Falcon**  
DIRECTOR: **Chad Donovan**

On the streets of San Francisco, there are two ways to get sex for cash. You either hustle or cruise. Simple as that.

Albert Long is the new boy on the block. He's only been working the streets for one day. Street smart Jason Adonis takes Albert under his wing and shows him the ropes.

In scene one Johnny Castle stands before the desk of his client, flexing and posing. He caresses his dick, turns around and spreads his cheeks. He pumps his dick and the punter looks on. He shoots his load on the glass-topped desk. Albert is picked up by Tristian Matthew. They find a deserted alley to conduct their "business transaction." Tristian takes Albert's fat cut cock in mouth, sucking hard on the purple knob. Tristian licks Albert's tight pucker and then lets Albert face-fuck him. Tristian moans, "fuck me harder!" as Albert screws him. He ends up with a face full of cum as he shoots his own load over his tattooed stomach. Humungously hung Chad Hunt walks into the cottage to take a piss. The gorgeous Roman Heart follows Chad in and sits in the neighbouring cubicle. Roman starts to wank himself and Chad sticks that awesome appendage

through the glory hole. After gorging on the donkey dick, Chad then returns the favour, sucking Roman's rock hard dick. Chad rims Roman's shaved hole before fucking the bejesus out of Roman. Roman jerks off, shooting his thick load as gets Chad's torrent all over his beautiful face.

Exchanging 'that look', Ryan Wade and Antonio Maiera hook up and they're soon back in Ryan's apartment. The chemistry between the two is evident: plenty of deep wet kissing, nipple play and armpit licking, before Ryan goes down on Antonio, sucking his cock and licking his hole. Antonio reciprocates getting Ryan nice and lubed up with spit before he fucks him doggy style. Jason Adonis and Eddie Stone feature in the final scene. These guys are all over each other, exchanging deep wet kisses whilst beating off. Jason fucks Eddie missionary style, grunting his appreciation, before Jason flips him over to rut him from behind. The cum flies as Eddie gets a face full, shooting his load all over the sofa and floor.

# FOOTBALL FUCK

PRODUCTION: **Euroboy Sport** • DIRECTED BY: **Monaco**

If you love guys in footie kit and all the possible sexy scenarios that go with the beautiful game, this film is one for you.

It's the semi final of the big match and the action starts on the pitch (surprisingly all these guys can actually kick a ball). Later in the locker room one of the losing team stays behind. Soon he's bent over getting fucked from behind by a member of the winning team.

In the massage room a player injured during the game is getting a rub down. Hands move from thighs to cock and soon that strained muscle is long forgotten about as the injured player forces the masseur's thick cock down his throat. The masseur then flips over to receive a good pummeling.

On the benches in the gym a threeway is already in action. After all possible combinations of sucking and fucking the smaller guy ends up in the middle, fucking and getting fucked. They all shoot big thick loads of gooey cum and collapse, exhausted.

Even the referee's getting his ass filled! Having given the eye to his favourite

player during the game, the two have met up for some serious off the pitch action. Is it the ref's first time? It looks like it as he winces as he takes a full length. Even though he's on the receiving end, he keeps his shirt on all the same just to remind us who's boss.

The final scene takes place back in the locker room where the cleaner is tidying up sweaty jocks, socks and trainers from the floor. He starts sniffing the dirty socks and jocks and is soon rock hard. Caught in the act by one of the players, he panics. But soon he's getting his ass tongued before being impaled against the lockers. The camera pans out after he's cum to find it was all a fantasy: he's there on the floor with the damp jockstrap in his hand.

The film ends with the ref receiving a secret note promising a huge orgy if he helps one team win. What will the ref do? Football Fuck 2 is out soon... DVD extras include a cumshot compilation and a trailer for Soccer Lads.

## PIMP MY... PROFILE!

**You've got the MySpace page, you're constantly on Facebook, you're renowned on Gaydar as "...hungstud1" for your massive appendage. But those profile pictures! God, they're awful. Sort it out!**

So you're cruising the net, looking for a potential shag. You come across a guy that ticks all the right boxes. He's into what you're into, he's single, no major baggage, he lives down the road, he's up for an NSA roll in the hay... and he looks hot! There he is standing on a beach, ripped to fuck. Tanned, muscular... you're checking out the package in his Speedos... You type your best (and butchest) come-on, give him a succinct run down of what you'd like to do to him, and hit "send". He gets back to you, instantly. You start to get a semi. You check out his pictures again. There's one of him standing in his bathroom. He's done the old "picture in the mirror" shot. You can't see his face, but hey, that bulge in his tighty whites is looking mighty impressive. Shame the flash is obscuring his face. You wonder if his Gaydar age is anywhere near his real age. Ball park figure... you reckon late thirties. Nice.

You type back: "nice bod m8. You work out?" He types back, "yeah, always down the gym. Gotta keep in shape (lol). You cummin 2 mine?" With that reply you're already calling a cab. "Txt me yr address," you type quickly. You rush in the bathroom, check yourself in the mirror, brush your teeth, decide to change into your best pulling pants, and you're out the door.

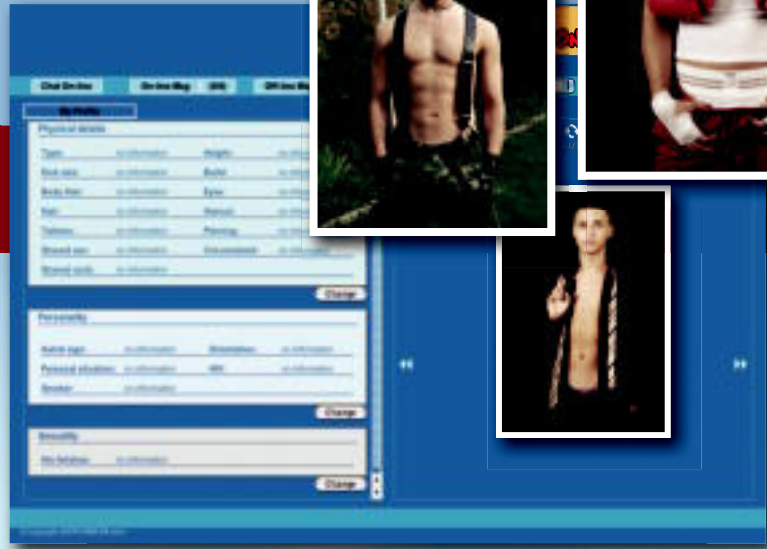

You're in the cab, your hard on is raging inside your jeans. Fuck, you're gagging for this shag. What's his name? Fuck it, who cares? He's hot and hung and that's all that matters. You're picturing that photo of him on the beach. Fuck you're up for a good long sesh tonight. It's been a while, you haven't wanked for days... almost there, just around the corner... You pay the cab, bound up to the front door and ring the bell. You're like a dog with two dicks at Crufts. You compose yourself, trying to look "nonchalant/sexy/cool... you adjust your semi... you don't want to come across too eager beaver.

The hall light comes on. A balding guy with a beer gut opens the door and smiles. You check the text message: "Is Pete in mate?" You check the guy out again. He does look a bit like the guy in the photo. Maybe he lives with his brother... or cousin. Older brother, that's it. A lot older and obviously the one without the gym membership. "I'm Pete," he answers. You look down at the paunch. You think "Trade Descriptions Act". The camera obviously does lie. You think, "well, I'm here now..." But he really isn't anything like the picture. Fuck, that must have been taken at least ten years ago. "Sorry mate," you shrug, slightly embarrassed. Oh well, there's a sauna near the train station... it's on the way home.

All images by Chris Jepson

Best known on the London scene for his club photography, QX snapper Chris Jepson (right) undertakes a whole host of other charity, commercial and editorial shoots, much of it with scantily clad or naked guys! Although a lot of his work is with escorts, models and porn stars who obviously need good quality photos, increasingly everyday guys are investing in a professional shoot either because they want to record how they currently look and want images to frame at home (or for Aunt Mabel for Christmas) or to use on their online profiles. Shoots can investigate fetishes the model is in to as well as fantasies they want to try, can be fully clothed or fully naked, and as a photographer used to working on porn sets, in S&M environments and with escorts, he doesn't shock easily so there is very little out of bounds!

# KICKBOXER

PRODUCTION: **Studio 2000**  
DIRECTED BY: **Danny Ray**

Set in and around a real-life kickboxing studio in Prague, you'll most certainly work up a sweat watching fifteen uber athletic Euro studs pummelling each other. Included in the cast are Studio 2000 faves Tom Hawaii, Carey Lexex, Richi Rich and Nico Sideropolous. Justin Corner is shadow boxing as Carey lustily looks on. Soon the two are trading blowjobs and jacking each other's dicks. Justin rides Carey's boner and then they turn the tables and pounds his mate until they both shoot for a second time. Shirtless Nico and Mickey Coolio star in the second scene. Nico deep-throats Coolio until he pumps out a massive wad. Coolio returns the favour, sucking off his Nico until he comes a second time. Nico rides Mickey until he shoots his second load and Mickey shoots his third! Mocha-skinned Richy Rich and blue-eyed Fernando Kruz pair up for scene three. Deep kissing and aggressive face fucking make this a stand out scene - check out Fernando's no-hands cum shot!

Muscley Maneul Martinez is supposed to be sparring but he's got his eye on fellow hot-bod Daniel Gero. Daniel gets his stiff cock sucked to orgasm before he returns the favour, gorging on Manuel's long, thick, snaking cock, before riding it with gusto. The final scene begins with a seven-man sparring session. The hunky, sweaty athletes trade kicks and punches under the watchful eye of an instructor. Deciding the kickboxers need a little naked practice the guys comply by stripping off. They spar naked. The instructor soon has his cock sucked by each guy. All the guys shoot their loads in succession before breaking off into three sets of two, again the instructor moves between the couples, jacking his students, keeping them motivated. The bottoms ride their tops energetically straight through another series of seven cum shots including a couple of gushing geysers... Hey ho, just another day down the gym!

DIEVX DV STADE

PRODUCTION: **Eurocreme**  
DIRECTED BY: **Simon Booth**

Available from [www.eurocreme.com](http://www.eurocreme.com)

This latest Eurocreme release gets off to a rocking start with cute Damien Esco in the shower. In his sexy French accent he talks about what turns him on. He dries off and gets dressed in the typical indie boy outfit. As the music gets harder and harder he whacks off his beautiful cock until he shoots a big creamy load.

The second scene features the ginormous dong of Steven Prior. Slim, smooth Steven fucks baby faced Anthony Thomas, ramming his weapon of ass destruction in and out, torturing Anthony's hole mercilessly. Then they switch with Anthony fucking Steven. The scene ends with both boys lapping up each other's cum.

Next, tattooed Jake Hamilton and Dom Frazer treat you to the stand out scene of the film. With an insatiable cock-hungry arse and a mouth like a Hoover, Jake takes Dom's cock in both ends – he just can't get enough. Someone put this boy in a gangbang scene! The chemistry between the two boys is electric and the amount of cum they produce is phenomenal. You'll definitely be hitting the rewind for this scorching scene.

In scene four, dark haired Rowan Valois dominates funky, pink haired Juke Brandt. Great butt-pounding close ups with multiple position changes make this a really energetic fuck, with Juke grinding back on Rowan's rock hard dick.

In the final scene the boys are recovering after a night of heavy boozing. With the four boys boasting massive morning glory erections the guys from the previous scenes are ready for more, this time introducing new Eurocreme discovery Alex Haylewood. The duos turn into foursomes with Anthony Thomas taking centre stage. They then pair off again, as Damien gets drilled by Alex whilst Anthony takes Rowan's raging boner. Keeping it bang up to date, this film also features a kick arse soundtrack, so after you've wanked and shot your goo, you can put it on again, crank up the volume and dance round your bedroom. Yeeeeeeah!

Summer might be on the way out, but there's no excuse not to banish that beer gut and tighten up that saggy gluteus maximus. And if it's inspiration and motivation you require, just check out these two calendars.

**The London Amateur Wrestlers** are a friendly club that trains in Greco-roman/freestyle wrestling and submission grappling. They hold regular practice sessions at City University, London. This year, Steven Klein has shot the hotly anticipated **Dieux du Stade 2008 calendar**. Featuring the incredibly sexy members of Stade Francais, this hugely homoerotic collection of photos perfectly personifies the term "sporno" – where sport meets porn (albeit soft porn). # COCK BYTES

by Brent Nicholls

## www.acteduty.com

On [acteduty.com](http://acteduty.com) we enter the world of "Hot American soldiers having wild gay sex." The site contains over 400 galleries of hot military men most of which are exclusive to this site. There are also full length streaming videos 'updated weekly', quick 3 minute video clips and live cam shows with live chat. The free tour of the site is pretty lame with only one short clip to entice you into a subscription. Once you do pay, however, you will have unlimited access to the site and all its services. The site also offers pay-per-view if you do not want to pay for a recurring subscription. Whether these guys are 'real' military men or not remain to be seen. However, they do serve the fantasy premise set up by this site. To quote an old Village People tune, "They want you, they want you, they want you as a new recruit"

## www.arpits.com

Some like it hot, some like it smelly, some just like it! Who knows what triggers a fetish but at [arpits.com](http://arpits.com) it's all about the under arms! According to this site "Armpits are one of the sexiest most erogenous parts of the male body." The site is run by fellow armpit lovers; who have no preference for shaved or hairy pits... as long as they are under the arm! As expected, armpits.com contain videos and galleries of under arms from models of all walks of life. Don't worry for those who like a bit of cock, they are on here too, but if your armpits are the keys to the engine this is one place you may want to fill up. Check out the 'messy armpits' section (use your imagination what that means, but it does involve cum). Full site access requires a subscription.

## www.welovecock.com

[Welovecock.com](http://welovecock.com) (and we do!) is a free thumbnail gallery post (tgp) and movie gallery post (mcp) portal that contains literally thousands of free images and movies. Apparently 90 000+ men use this site a day for their porn needs. From big dick bears to twinks, this site boasts to have it all. A quick check resulted in plenty of cock pictures and videos. Once we started clicking we were lead into a labyrinth of cock and ass that went on and on hosted on literally hundreds of sites. Each click led to another click, which forwarded you onto more. You will be absorbed for hours and be amazed at just how much free cock images are out there and how many people are willing to put their family jewels on show. Some sites require subscription to view more, but with so many sites and so many images we are sure you will be satisfied with the freebies on view!

## www.fritzofholland.com

[Fritzofholland.com](http://fritzofholland.com) is a site belonging to an artist who creates erotic male images.

Typical in that fantasy kind of way the characters created by the artist are of course, over hung, huge pectorals, ridiculously good looking and too hot to be real. In saying that, there is something profoundly sexual about caricatured men. The site contains plenty of images, of which you can buy. It also contains recent drawings as well as classic drawings of which contain sexual content.

You can even get images printed on a t-shirt for 19.50 Euros. The artist has obviously been influenced by artists such as Tom of Finland giving his style a 21st century slant by trying to "transform the 50's style army boys into modern Latino hunks"

If you have a website that would be suitable for this page, then please let me know by dropping me an email at [brent@brentnicholls.com](mailto:brent@brentnicholls.com). Commercial sites, personal homepages, free galleries are all welcome

# THE PIPEWORKS

**Up until May 2003 folk in Northern Ireland looking to avail of the therapeutic benefits of an all-male sauna had to travel 2 hours down the road to Dublin.**

Then along came The Garage. Based in Belfast's Gay Village, sandwiched between the Union Street Pub and Kremlin, it provided a host of facilities ranging from free internet to steam room, dry sauna, jacuzzi, solarium, sling room and large, well-stocked private rest cubicles. In addition The Garage boasts a choice of comfortable lounges with a large number of state of the art plasma screens. Due to a copyright conflict, The Garage has been rebranded and renamed The Pipeworks. Four years down the line and a name change later, The Pipeworks now has a sister complex in downtown Glasgow, which opened its doors in August 2006. Glasgow's Pipeworks is in the planning stages of a massive refurbishment and an expansion programme which will see the addition of a 35-man Jacuzzi, (we reckon the largest in the UK!) and a large solarium unit.

The look and feel of both Pipeworks complexes is heavy duty industrial, but softened by the soft feel of plush fabrics and leather furniture. There's even an open fire to warm your cockles on those winter nights!

So whether you're gagging in Glasgow or bursting in Belfast, The Pipeworks should be your first port of call.

## ACCESSORISE YOUR HARDWARE AND PUT A SMILE ON YOUR FACE

And now for a couple of products on the market that we thought were just pure genius. First it's the Tingletip ([www.tingletip.com](http://www.tingletip.com)), a neat little attachment designed for your electric toothbrush - however, you won't be brushing your gnashers with this little number. Nope, the Tingletip - designed for Braun Oral-B electric toothbrushes - actually turns your electric toothbrush into a vibrator by simply removing your electric toothbrush head and replacing it with the Tingletip. Ok, so it is designed for women and so small that it wouldn't be much

use to us men but we thought it was such a simple yet ingenious idea and it'll mean no more embarrassing moments when your sex toy is discovered in your suitcase by

airport security. Us guys will just have to wait for someone to invent a butt plug that can fit on the end of a Black & Decker power tool!

Another high tech sex toy we came across is the OhMiBod ([www.OhMiBod.com](http://www.OhMiBod.com)), a vibrator that syncs with your iPod or any other music player and vibrates to the beat and rhythm of your music while you listen. As the manufacturers say, "Everyone loves music. Everyone loves sex. OhMiBod combines music and pleasure to create the ultimate accessory™ to your iPod." Measuring five and a half inches long this vibrator could certainly bring pleasure to us guys, but we'd advise that you ease yourself into it with a bit of easy listening before you move onto hard-core techno!

## HOT HAIRY HUNKS AT LONDON'S TONKER LITE

Seven of the Hottest Hairy Hunks from Alphamale Media were at Tonker Lite

at London's Barcode Soho last month on the look out for new models for their up and coming films and to promote Alphamale's DVD range. Trojan Rock, Carlo Cox, Butch Grand, Cole Ryder, Dane, Ray Stone and Tim Kelly were all downstairs in the dance bar of Tonker Lite, flexing and posing much to the delight of the salivating crowd. The guys also gave out Tonker CDs and raffled off Alphamale DVDs in aid of The Food Chain Charity.

# Terrence HIGGINS TRUST

## THT URGE GOVERNMENT TO ALLOW HIV HOME TESTING KTS

JUST ONE OF '25 THINGS' THT HAVE SET OUT FOR 25TH ANNIVERSARY YEAR

In its 25th anniversary year, Terrence Higgins Trust (THT) has produced 25 Things, a publication which sets out 25 points which THT would like the Government to take action on. One of which is to change the law to allow people buy and use home test kits for HIV. Approximately a third of people with HIV in the UK are currently undiagnosed and by having a reliable, regulated kit available in the UK, both undiagnosed infection and onward transmission of HIV - as HIV is often passed on by people who don't know they have it - should be reduced. Home testing kits currently sold on the Internet aren't subject to any form of UK quality control, nor do they carry information about sources of support in the UK. Reforming the HIV testing kits and services regulations would allow the Government to ensure proper quality control and management of home testing in the UK.

## GEORGE W BUSH: SHOVE IT UP YOUR ARSE!

He's certainly unwelcome in many places around the world so we were shocked and amused when we came across the George W Bush Butt Plug! Who'd want that man any near their poop hoop, let alone deep up inside? We kid you not, someone has come up with the novel idea that is the George W Bush But Plug and it's available from [www.LoveHoney.co.uk](http://www.LoveHoney.co.uk)... Go see!

## SPORTSMAN LUBES UP TO AVOID CHAFFING

Sports enthusiast, Neil Wightwick, has found a novel way to prevent chaffing and sores when he's competing. The fit 29-year-old sportsman smears his tight, muscled body in ID Millennium Lube. As ID Millennium is made from 100% pure grade pharmaceutical silicone, the molecules are actually too big to get through your skin, making it a great

lubricating barrier that prevents sores when running. "Problems with

chaffing and rubs while running long distances is nothing new, there isn't any part of a runner's body that can escape. Before I run apply ID Millennium to my arm pits, chest and between my thighs... I just wish I had known about it when we rowed across the Atlantic, often naked!" said Neil Wightwick. And we wish we'd been there to apply it for you Neil! For stockists and samples go to [www.idlube.co.uk](http://www.idlube.co.uk).

# NIGHT OF THE SENSES:

## The 14th Annual Erotic Awards Show in London

**Haydon Bridge and Ashley** went to the wildest sexual free-for-all of the year.

Although it's far from wholly homo, legendary sexual freedom fighter Tuppy Owens' Erotic Awards show deserves our support. Not only does Tuppy believe that everyone, regardless of sexuality, deserves nooky, but her event benefits the Outsiders Trust, the charity that helps disabled people find partners. The 14th annual awards show was held on 1st September at Mass, in south London, the venue that hosts fetish club Torture Garden. The evening offered a kaleidoscopic carnival of kinky capers. And that was just in the play rooms after the awards ceremony!

The show itself, introduced by Alison Lapper, who modelled naked and pregnant for the Marc Quinn sculpture that graced the formerly empty plinth in Trafalgar Square, offered an eye-popping array of outrageous performances by some of the nominees. MC Mat Fraser (Thalidomide the Musical) held the show together in a frock and encouraged the able-bodied to hug a cripple ("Seriously, we're an awfully good shag.") He later stripped, taking it all off including his artificial arms! That display won VWE Mat his gong as Best Stripper – Male. Roxy and her company had straight and lesbo sex on stage that descended into mayhem. Roxy squirted whipped cream on her partner's bollocks, placed a golf ball on top of the mound, and then whacked it into the baying crowd. She was voted Best Stripper – Female. Sadly there was no prize for good-looker Bad Boy Lee, of the Crippendales, who strips in his wheelchair. Nor was there anything for even badder boy, Ashley Ryder, although the audience went wild for his notorious party piece – sitting on three gigantic dildos and then fisting himself almost to his elbow.

There were other popular winners. The Lifetime Achievement Award went to Derek Cohen, who founded SM Gays in 1981 and is also chair of the Spanner Trust. "If there's something going on you don't like, go out and fight it!" he ordered us. This year's Sex Worker – Male was Sleazy Michael, well-known not only to the readers of the Escorts section of QXMen, but now also as a performance artist. He told me he planned to haul more than 2 metres (7 foot) of heavy duty chain out of his arse at the after-show cabaret. "I'm being rewarded for doing the best job in the world," added Michael, who incredibly is married with two children and didn't come out until he was 46.

At 12.30pm the focus switched to the hidey-holes and peep shows of Mass, and the audience came into their own (!) One of the many cherishable sights: the gent in the "mummy"-style head bandages, velvet jacket and bodice wanking at the feet of a très elegant dominatrix in a kimono. "Please follow me on your knees," she demanded. Phwoar!

# SEX Addict?

GAY MEN CAN HAVE AND ENJOY LOTS OF SEX! SURVEYS OF GUYS ON THE SCENE SHOW THAT JUST OVER ONE IN TEN HAS MORE THAN 30 PARTNERS A YEAR. FOR MOST, THIS IS OUT OF CHOICE. BUT FOR A FEW IT'S BECAUSE SEX BECOMES AN ADDICTION.

BY DR ALEX VASS

## What is sex addiction?

Being addicted to sex means that you lose control over your sexual urges and just can't stop having sex, no matter how hard you try, or of the consequences. It means spending long periods of time looking for, having or recovering from, sex and yet needing more and more sex to be satisfied.

Men who are addicted to sex often tell of losing touch with friends, and spending much more than they can afford on sex chat lines, pornography or escorts. They may get arrested or cautioned for having sex in a public place, and are more likely

to go to risky places for sex such as saunas or cottages. Addiction to sex often goes hand in hand with alcohol abuse and taking other recreational drugs.

The addiction can be so strong that all your energy is taken up in the pursuit of sex. As a consequence, sex addiction often has disastrous effects on relationships - being unable to commit to, or stay with, one person - as well as on finances, and home and work life. The sex addict's lack of control puts his health at increased risk from sexually transmitted infections and HIV because his desire for sex is so strong.

is fast becoming a source of addiction. Many men spend hours on-line every day cruising for sex and one study of gay men found that up to 3 percent using gay Internet sites felt that they were addicted to them.

## What is the treatment?

Just like other addictions, if you think that you might have a problem there is help available. The best treatment is talking therapy. This is available through your GP who will refer you to a psychosexual counsellor. Working through your problems and discussing how you feel about sex with a trained therapist will help. You'll also learn ways to change your behaviour and build your confidence. At times depression can go hand in hand with sex addiction so again, talking therapies help, as can anti-depressant medications.

Many men feel anxious about seeing their GP. Making that first step toward help is the hardest - but once you ask for help things will get easier. Thankfully, there are also excellent voluntary organisations that can also help you. They often use similar techniques used to help with addictions to alcohol or other drugs. Try [www.addictions.co.uk](http://www.addictions.co.uk), a website set up to deal with all types of addiction, including sex addiction or Sexaholics Anonymous [www.sauk.ork](http://www.sauk.ork), a UK website that helps with sex addiction.

## Who gets addicted?

There are many reasons why someone develops an addiction to sex. For some it's related to low self-esteem and so it becomes a way of feeling wanted or needed. Others use sex as a way to escape from dealing with emotional problems. Research also suggests that men who are addicted to sex are more likely to have been sexually abused or emotionally abandoned in the past.

And you don't become addicted over night. Guys who are addicted to sex often go from one type of addiction to another. So from an early age they may have wanked a lot and not be able to control the urge to wank. Later, an obsession with pornography can develop. The Internet too
